

Want an RC?

Reward Yourself with an RC— a free Rewards Checking account, that is. It's the only free checking account that pays you interest and refunds your ATM fees when you do four easy things each month. No minimum balances, no hidden fees. Pretty sweet!

You just make 12 check card transactions, receive a monthly statement online, have one direct deposit or have one bill payment drafted out of your account, and provide the bank with your e-mail address. You may be doing most of those things already.

Let us show you how much you could be earning every month with our RC, and the Moon Pie's our treat!
